

BIENNIAL WORKPLAN

The activities 2017-2018 will be focused on:

- Our role as an expert knowledge hub for VET providers about international cooperation.
- Our role as an experienced coordinator and partner in transnational VET projects.
- Our role as an expert knowledge hub for VET providers and tools developed by the EU to foster international mobility: EQF, EQAVET, ECVET, Europass.

The CFL/HEA (Centre for Flexible Learning/HEA) Söderhamn is the centre for UNESCO/UNEVOC in Sweden. The CFL is a unit within the regional education association Hälsinglands Utbildningsförbund (Halsingland Education Association, HEA).

The CFL/HEA will organise a number of workshops during 2017/2018 about ICT in VET as a partner in the EU Horizon 2020 scientific project CRISS.

The CFL/HEA will organise a number of workshops during 2017 and 2018 for VET teachers within the coordination of the EU/Erasmus+ funded KA 2 projects: XXI Trainer and ATTRACT VET.

The CFL/HEA will be organising an activity 2017 by support from the SIDA (Swedish international development agency) to foster VET development in Tanzania.

The UNESCO/UNEVOC centre will be open for contacts and visits by VET providers and/or policymakers all weekdays between 08.30-16.30.
